Corporate Christmas Gifting 2021

Dear Valued Corporate Customers

We hope you are safe and well going into the festive period.
As we navigate these next few months, we thought we would highlight our offerings going into Christmas. We have a great array of Seasonal Specials that will delight your clients, co-workers or friends this Christmas.

Slurp has had a fantastic 2021 so far, with great client feedback. We fully intend to continue this trend into the New Year. With our unique offerings and streamlined multiple address delivery service, we stand out from our competitors by taking the hassle of sending gifts to multiple addresses out of your hands, and into ours.

We believe that at this time of year, and in the current climate, discounts are more important for our customers than ever. Do not hesitate to get in contact with us to find out the bespoke prices we can offer you for bulk orders.

Please have a look through our Corporate Christmas Brochure 2021. We are looking forward to being your chosen supplier for all your Christmas needs. Thank you for your ongoing custom during these times and we wish you all a very Merry Christmas!

Best Wishes
The Slurp Team
